DEFENDANTS

ORDER

The Court has received a Partial Recommended Disposition from United States Magistrate Judge J. Thomas Ray (Dkt. No. 83). No objections have been filed, and the time for filing objections has passed. After a careful review, the Court concludes that the Partial Recommended Disposition should be, and hereby is, approved and adopted in its entirety as this Court's findings in all respects (*Id.*).

Accordingly, this Court denies in part and grants in part defendants' motion for summary judgment (Dkt. No. 62). The Court denies the motion as to plaintiff Anthony Alexander's claim pursuant to 42 U.S.C. § 1983 alleging failure to protect and his negligence claim against defendant Joyce Scott, in her individual capacity. The Court grants the motion as to all other defendants and claims. The Court dismisses with prejudice all of Mr. Alexander's other claims, including his claims against defendants Terry Ford, Raeonia Bell, Ed Adams, and Tyra Tyler and his negligence claim against Ms. Scott in her official capacity.

It is so ordered this 6th day of April, 2020.

United States District Judge
